

Campus Leader Track - \$250

The Campus Leader Track will provide high quality, interactive training on how to maximize FCA's influence on your campus. FCA staff and volunteers will encourage, empower and equip you with techniques you can use in Team Bible Studies, FCA Huddle Meetings, Leadership Team Meetings, and School or Community wide events.

3D Athlete Track - \$300

The 3D Athlete Track combines the outdoors and leadership training to build future leaders on and off the court or field. Athletes will learn practical tools on how to help build team cohesion and a winning culture. In this track you will experience hands on team building exercises that will test your leadership. When you leave you will be able to use these 4C's to lead your team to new levels — Character, Confidence, Courage, and Compassion.
